

(An introduction to creative writing)

# I LOVE THINK-WRITE

18 & 19 March (Wed & Thur), 10am to 1pm, \$132(6 hours)

## I Love Think-Write

- draws on the children's imagination to connect story-telling to writing
- provides purpose and opportunities to write
- develops confidence to write
- helps them develop a love for writing

## The Activities

- help to improve grammar and sentence construction norms
- increase their description and story writing abilities
- provide exposure to different genres and help children think creatively
- sharpen their observation skills and develop their writing skills systematically

## I Love Think-Write System

- is developmental in nature
- moves from simple to complex
- uses children's level of thinking and experiences as springboards
- matches children's writing and spelling abilities

## Develop traits for Effective Writing

- ideas generation & framework
- setting, organization, sequence & characterization
- parts of speech (Nouns, pronouns, verbs, adjectives, prepositions)
- spelling, grammar and vocabulary
