Dear Parents and Students,

Suspension of All Classes

We understand that all of us are worried about our livelihood and the COVID-19 pandemic. However, this is unprecedented, and we should place utmost priority on our loved ones' health and wellbeing.

As such, we have deliberated and concluded that we will suspend all classes from **26 March 2020 to 30 April 2020**. There will be **no online live interactive classes and homework sent via email** too. **Please be assured that all fees paid will be carried forward when we resume our physical classes. We will arrange make-up for those classes missed on 26 March 2020 to 31 March 2020.**

We urged everyone to do our part and be socially responsible. Let's work together with our government in fighting with this COVID-19 battle and take care of ourselves and loved ones.

Should you have any queries, please do not hesitate to contact us as below:
