Dear Parents and Students,

**Resumption of On-site Classes (With Option of Online Zoom Interactive Classes)**

With the recent announcement of Singapore's resumption of on-site operations under Phase 2, we are working closely with the authorities to ensure that our centres resume on-site classes in the safest possible manner for your children, our teachers and staff.

We will resume on-site classes on **1 July 2020, Wednesday**. Meanwhile, we will still continue with online classes in June. We are also adjusting class schedule (as per before Circuit Breaker period) slightly to accommodate cleaning and disinfection of classrooms after every lesson. Students will be an given the option to continue with online zoom interactive classes should they prefer to stay at home for the time being. Adjusted schedule will be informed soon.

Should you have any queries, please do not hesitate to contact us at 9150 2025 (Sembawang) or 9062 9895 (Bedok). We seek your understanding, fullest support and co-operation during this period.

Thank you.

Yours Sincerely,
