

11 June 2021

Dear Parents and Students,

Resumption of On-site Classes (With Option of Online Zoom Interactive Classes)

As you have already read in the newspapers, we are able to resume onsite classes from 21 June 2021 (provided that the situation remains under control) under Phase 3 (Heightened Alert). We will be taking more, if not, extra precautions here. We are working closely with the authorities to ensure that our centres resume onsite classes in the safest possible manner for your children, our teachers and staff.

We will only resume onsite classes from 28 June 2021, Monday, onwards. Meanwhile, we will still continue with online classes till 27 June 2021. Students will be given the option to continue with online zoom interactive classes should they prefer to stay at home for the time being. We will be conducting a hybrid of online and onsite mode when we resume at the centres.

Should you have any queries, please do not hesitate to contact us at 9150 2025 or 9062 9895. We seek your understanding, fullest support and co-operation during this period.

Thank you.

Yours Sincerely,

Elaine Chin

Director
