Dear Parents and Students,

ONLINE CLASSES FROM 22 July 2021 to 18 August 2021

In view of the increasing number of COVID-19 community cases again, we feel that there is a need to safeguard our primary school students who have not had their vaccination and our many secondary school students who have had only their first dose. Hence, we have decided to move our onsite classes to Zoom online classes, from **22 July 2021 to 18 August 2021**.

Our teachers will be getting in touch with your child or you regarding the online classes. We are still contactable via our mobile numbers.

It is dampening to see the recent spike in cases. However, as we continue to combat and live with the virus, let us stay positive and persevere. Let us work together and continue to boost your child's learning. Be responsible, stay healthy and safe!

Thank you.

Yours Sincerely,
